I have full knowledge that basketball carries significant risk of personal injury, severe injury, even death. I also agree that, as the parent/guardian to the noted child, that I am responsible for my child's safety, and in case of injury, I understand that I am responsible for all financial liabilities. To the best of my knowledge, my child is in good physical condition, has no condition that would be aggravated by participating, and has no communicable disease that could affect other participants. I agree to allow immediate medical care if needed. I agree to hold harmless East Windsor Youth Basketball, and those associated with these organizations including, but not limited to, the organizers, officers, managers, coaches, referees, facility providers, and league participants for any injury incurred as a result of participating in this league or traveling for games or practices, or trying out. I realize that if I submit payment by check and the depositing bank rejects my check, I am financially responsible for the noted value of the check and a \$25 penalty fee payable to EWYB
